September-December

The Matsitsi Trading Coffee SU (or Matraco) company was founded in 2015 and is owned by Mr. Matsitsi, a coffee producer who oversees Matraco's three washing stations and over 10,000 trees. Two of these washing stations are in the Kayanza province and one other is under construction in the Muyinga province. The two washing stations in Kayanza are some of the best around and have won Cup of Excellence awards in the 2013, 2014, 2015, and 2017 competitions. Matraco is focused on fine-tuning its production process while promoting ethical trade and environmental protection.
